Sprint 1 Retrospective

What went well:
- Communication
- DIvision of work
- Time management
- Use of GITHUB
- Activity Diagram

What we can improve on:
- Following/reviewing the PowerPoint templates
- Increase workload to provide plenty of time for analysis and unexpected problems.
- Adding detail to requirements (test plan and diagrams)

Accomplishments:
Whole Team - Test Plan, Class Diagram
Enrique - State Diagram, Use Case
Cheng - State Diagram, Use Case
Van - State Diagram, Use Case
Maxim - Activity Diagram
